WORK EXPERIENCE

Web application developer

Dijenu in Bottega, LTD [12/03/2024 – Current]

City: Varna | **Country:** Bulgaria

As a **Full Stack Developer**, I have successfully delivered high-impact projects that demonstrate my expertise in creating dynamic and engaging e-commerce platforms. My key achievements include:

- Designed and developed sophisticated e-commerce websites featuring user-friendly interfaces. Leveraged contemporary tools and adhered to best practices in web design to ensure an optimal user experience.

- Integrated a variety of APIs to streamline and enhance process efficiency, ensuring logical and effective data handling across platforms.

- Expertly implemented Sanity CMS to facilitate smooth and efficient content management operations for e-commerce platforms.

- Utilized state-of-the-art technologies such as React, Next.js, and Tailwind CSS to build responsive and high-performance web pages.

- Employed modern UI libraries, including MUI and Astrinity, to create visually appealing and highly functional user interfaces, enhancing the overall user experience.

My comprehensive approach and dedication to leveraging the latest technologies enable me to deliver exceptional and innovative solutions in the realm of full-stack development.

Application developer
Tulipr, Inc [01/06/2023 – 01/09/2023]

City: Bucharest | **Country:** Romania

As a **Software Developer**, I have accomplished the following notable achievements:

- Designed, built, and maintained a high-performance, reliable application for inventory tracking, ensuring robust functionality and seamless operation.

- Conducted rigorous testing of APIs to guarantee seamless integration and optimal performance, ensuring reliable data exchange across platforms.

- Created and implemented automated processes for data manipulation and transfer using Power Automate, significantly enhancing efficiency and accuracy.

- Designed user interfaces with Power Apps that are intuitive, user-friendly, and visually appealing, ensuring a superior user experience across various applications.

- Worked collaboratively with colleagues across the IT department to achieve project goals and drive continuous improvement in overall departmental performance.

These accomplishments reflect my commitment to leveraging innovative technologies and collaborative efforts to deliver exceptional software solutions.

Strategic Partnerships Expert
Ezmey LLC [04/06/2022 – 02/10/2022]

City: Varna | **Country:** Bulgaria | **Website:** https://ezmeyboutique.com/ | **Business or sector:** Information and communication

As a **Strategic Partnership Manager**, I have achieved the following significant milestones:

- Conducted in-depth market analysis to identify emerging opportunities and trends, strategically positioning brands for optimal market impact.

- Developed compelling content to effectively showcase brands, significantly enhancing their market presence and customer engagement.

- Crafted SEO-optimized content to broaden the website's target audience and improve search engine rankings, driving increased organic traffic.

- Built and managed web pages using Shopify plugins, ensuring a seamless user experience and an attractive, professional online presence.

- Created articles grounded in ethical research, ensuring accurate and trustworthy brand representation and fostering consumer trust.

These achievements underscore my commitment to leveraging strategic analysis, creative content development, and ethical practices to drive brand success and market growth.
